Saturday, September 18, 2010

9:00 am to 2:30 pm

This training will focus on exploring what it takes to create & maintain a thriving Youth and Family Ministry program within your greater Unity community. It is truly about creating a ministry that works for all.

The training will offer the following topics:

- 1. Adult/Young People Community Building:** *Explore how to build a community among the generations.*
- 2. Asset Development:** *Explore the power of the 40 Developmental Assets in not only empowering the individual but also inviting the generations to work together to support one another in ministry & service.*
- 3. Creativity and Imagination Enhancement:** *Activities to engage the imagination in order to keep building on what works.*
- 4. The Importance of Story & the Questioning Process:** *How the power of story impacts our lives and how to use it in our Youth Ministry classrooms.*
- 5. The Creative Experience:** *Activities to invite the young people into expressing the Truth that is within them.*

This training is for all members of your Youth Ministry team, Ministers, Board Members, Parents and other adults interested in supporting your programs.
